### LARRY THE HAIRY WEREWOLF

I'm Larry, the hairy, not-so-scary werewolf  
...ahhhhh-ooooo!

Every time there's a full moon up in the sky  
I know I'm gonna have a bad hair night  
Hair grows all over my body, my hands and my face  
and it grows right back the very moment I shave!

I turn into a werewolf when there's a full moon  
I become a wolf man and I howl like a loon!  
I might look like a mad dog, but I won't bite  
Although, I gotta tell ya that right now, a big juicy dog biscuit sure sounds nice!  
Mmm, mmmm

I'm a werewolf, but not a scare-wolf  
I'm just Larry, who's way too hairy, hair-wolf  
That over there wolf, who's in the zoo wolf  
That's the please be careful, he could bite you wolf!  
But me I'm just hairy, my name is Larry  
I'm Larry, the hairy, not-so-scary... ...ahhhhh-ooooo!  
Werewolf

Oh oh, here comes the full moon  
Oh, you know what that makes me do...  
Hey, do you wanna howl too? Ok. You Ready?  
...ahhhhh-ooooo!

If you see me scratching, I don't have fleas  
It's all this hair that's itching me!  
I hope it doesn't rain, I'll look like a drowned rat!  
I forgot my comb, I should've wore a hat  
I'm really not a monster, don't run away anywhere  
I told ya I'm just hairy, so don't be scared!

I'm a werewolf, but not a scare-wolf  
I'm just Larry, who's way too hairy, hair-wolf  
That over there wolf, who's in the zoo wolf  
That's the please be careful, he could bite you wolf  
But me I'm just hairy, my name is Larry  
I'm Larry, the hairy, not-so-scary... ...ahhhhh-ooooo!  
Werewolf  
Me I'm just hairy, my name is Larry

### THE WITCH HAD AN ITCH

Oh, The Witch had an itch, she just couldn't get  
It was on her back, where she couldn't scratch  
Itch, itch, itch... itchy Witch  
The Witch had an itch, The Witch had an itch

There was a Witch with an itch that wouldn't quit  
She wondered what to do  
She said: "Poison Ivy can't hurt me, and I can't get fleas...  
I know, I'll boil up a magic brew!"

Oh, The Witch had an itch, she just couldn't get  
It was on her back, where she couldn't scratch  
Itch, itch, itch... itchy Witch  
The Witch had an itch, The Witch had an itch

So the witch made a potion, with some bees wax lotion,  
and rubbed it all over her skin  
But after it dried, the witch just cried!  
'cause the itch got worse, she started scratching again  
Then the witch said, "I know, to the forest I'll go...  
I'll scratch my back against a tree like a bear!"  
She rubbed her back against the tree trunk, a whole bunch  
But all that did was make her dress tear!

Oh, The Witch had an itch, she just couldn't get  
It was on her back, where she couldn't scratch  
Itch, itch, itch... itchy Witch  
The Witch had an itch, The Witch had an itch

The itch got so bad, it made the witch start to twitch  
She was ready to try anything  
She jumped on her broom and away she flew  
Until down below, she spotted a stream  
"That water, ought'a, make it stop," she thought  
But there was one thing she was forgetting  
It was too late when she discovered her mistake  
When she landed in the stream, she started melting...  
No more itch, there's no more Witch  
The witch melted in the stream  
But I heard her say before she melted away...  
"Ah, I can finally stop scratching!"  
Oh, The Witch had an itch, she just couldn't get  
It was on her back, where she couldn't scratch  
Itch, itch, itch... itchy Witch  
There's no more itch, There's no more Witch!

### GOBLINS GOBLIN'

Do you know what a goblin is?  
They're mischievous little creatures  
Mischievous means they get into things they shouldn't!  
For example, I brought home a big bag of Halloween candy that I got from trick or treating and...

There's goblins goblin', goblins goblin',  
There's goblins goblin', goblins goblin',  
There's goblins goblin', goblins goblin',  
There's goblins goblin', goblins goblin',

Goblins gobbled my licorice  
Goblins gobbled my pixie stix  
Goblins gobbled my baby ruth  
Goblins gobbled my goobers too!  
Goblins gobbled all my fudge  
Goblins gobbled my milk duds  
My snickers bars, three musketeers  
There's no candy left in here!

There's goblins goblin', goblins goblin',  
There's goblins goblin', goblins goblin',  
There's goblins goblin', goblins goblin',  
There's goblins goblin', goblins goblin',

Goblins gobbled my box of dots  
Goblins gobbled my monster pops  
Goblins gobbled my juicy fruits  
Goblins gobbled my sweet tarts too!  
Sugar daddies, sugar babies,  
Rasinettes, they gobbled like crazy  
Gobbled up everything I had  
There's nothing left in my candy bag

There's goblins goblin', goblins goblin',  
There's goblins goblin', goblins goblin',  
There's goblins goblin', goblins goblin',  
There's goblins goblin', goblins goblin',  
There's goblins goblin', goblins goblin',  
There's goblins goblin', goblins goblin',

### VAL THE VERY NICE VAMPIRE

[Narrator]

Val, was a very nice Vampire, but she got in big trouble at vampire school because she was being too nice to humans...

[VAMPIRE ELDERS]

We've have to kick you out of vampire school. You just don't have the right vampire stuff

[VAL]

Why?

[VAMPIRE ELDERS]

You don't like to bite people on the neck, and if that wasn't bad enough...

You went to the red cross and you gave blood!

Now that's just not what vampires do. You're supposed to be scary and turn into a bat!

[VAL]

Why would I do that?

[VAMPIRE ELDERS]

You help old ladies cross the street, you faint at the sight of blood. What kind of a Vampire is that?

[VAMPIRE ELDERS]

We don't want a very nice vampire in our vampire club

[VAL]

Why?

[VAMPIRE ELDERS]

On Halloween you give out candy, instead of drinking blood

[VAL]

But Candy's yummy!

[VAMPIRE ELDERS]

We don't want a very nice vampire in our vampire club

[VAL]

How come?

[VAMPIRE ELDERS]

You're too nice to everybody. You're just not mean enough

[VAMPIRE ELDERS]

Now let me tell you how it's done

We come out at night and hide from the sun

We bite humans on the neck and drink their blood

[VAL]

Yuk! You mean like a mosquito?

[VAMPIRE ELDERS]

No! And we sleep in a coffin when we're done

[VAL]

Coffins are scary!

[VAMPIRE ELDERS]

Humans use garlic for protection, when we look in the mirror we have no reflection

## A Not Very Scary Halloween

[VAL]

Hey! I can see myself!

[VAMPIRE ELDERS]

Sorry kid. You just don't have what it takes to be a vampire!

[VAMPIRE ELDERS]

We don't want a very nice vampire in our vampire club

[VAL]

Why?

[VAMPIRE ELDERS]

On Halloween you give out candy instead of drinking blood

[VAL]

But Candy's yummy!

### MUMMY WITH A TUMMY ACHÉ

I'd love to go play, but I don't feel that great  
This mummy has a tummy ache

I got a great big bag of candy, when I went to trick or treat  
This mummy didn't listen to his mommy, when she said watch what you eat  
I ate a butterfinger and a twix, some tootsie rolls and pixie sticks  
Milk duds and candy corn, I ate till I couldn't eat any more

Now I'm the mummy with a tummy ache  
I'd love to go play, but I don't feel that great  
I ate and ate and ate and ate!  
Now I'm the mummy with a tummy ache

Shouldn't have mixed licorice, with ten candy bars and sour patch kids  
Smarties, goobers, gummy eye balls, taffy, toffee, I ate it all

Mommy said don't eat all your candy at once, but instead I ate all I could  
Now she's giving me tummy medicine, 'cause I don't feel so good!

Now I'm the mummy with a tummy ache  
I'd love to go play, but I don't feel that great  
I ate and ate and ate and ate!  
Now I'm the mummy with a tummy ache

I ate Pumpkin Peeps, Gummi Brains, Skull pops, Scairdy Cats, Wax Fangs  
Marshmallow Ghosts, lots of frightening food, Creeepy Crawlers, Spooky Spiders, too!  
I ate all my halloween bag could carry, this tummy ache, now that's scary!

Now I'm the mummy with a tummy ache  
I'd love to go play, but I don't feel that great  
I ate and ate and ate and ate!  
Now I'm the mummy with a tummy ache

Now I'm the mummy with a tummy ache  
I'd love to go play, but I don't feel that great  
I ate and ate and ate and ate!  
Now I'm the mummy with a tummy ache

I'm the mummy with a tummy ache  
I'm the mummy with a tummy ache  
I'm the mummy with a tummy ache

Oh, I don't feel very good  
I want my mummy!

### **HAIKY THINGS NOT SCARY THINGS**

We're hairy things but not scary things  
They don't understand us, that's why they scream  
We're hairy things, hairy things, hairy things but not scary things!

I'm a tarantula... I'm a big hairy spider  
I've got eight legs, I can win a race  
But hey, I'm not gonna bite ya!

We're hairy things but not scary things  
They don't understand us, that's why they scream  
We're hairy things, hairy things, hairy things but not scary things!

I'm a bat... I've got a hairy back  
I don't drink blood, I like to eat bugs  
Yeah I sleep upside down, what's wrong with that?

We're hairy things but not scary things  
They don't understand us, that's why they scream  
We're hairy things, hairy things, hairy things but not scary things!

I'm a caterpillar... I'm like a worm with spiky black hair  
One day I'll be a moth and fly everywhere  
I eat flowers and leaves, so don't be scared!

We're hairy things but not scary things  
We're hairy things, hairy things, hairy things!

We're hairy things but not scary things  
They don't understand us, that's why they scream  
We're hairy things, hairy things, hairy things but not scary things!

We're hairy, but not scary  
We're hairy, but not scary  
Hairy things, hairy things  
Come on! I know you can sing...  
Hairy, Hairy, Hairy, Hairy!

Hairy things but not scary things  
They don't understand us, that's why they scream  
We're hairy things, hairy things, hairy things but not scary things!

### MOUSE IN A HAUNTED HOUSE

I'm a country mouse, I was sleeping in the grass,  
Right near an old abandoned shack  
It was dark and raining and cold outside  
So I thought no one would mind if I stayed the night

So I squeezed through the door into the house  
I didn't know it was haunted, but I soon found out  
I heard rattling chains and rattling bones  
It should have been quiet, there was no one home

I heard heavy footsteps on the wooden floor  
There was no one there, but someone slammed the door  
There were no lights and I shook with fright  
I couldn't find my way, back outside

I'm a little mouse in a haunted house  
I've got to find a way, find a way out  
If I find a way out of this haunted shack  
This little mouse ain't coming back

The restless spirits wouldn't let me be  
I saw a ghost float right in front of me  
I heard ghoulish groans from down the hall  
Then I saw another ghost walk through a wall!

I heard a howl, I knew it wasn't the wind  
Then I heard a ghost knocking saying, "let me in!"  
I answered back, let me out!  
I don't want to spend the night in this haunted house!

I'm a little mouse in a haunted house  
I've got to find a way, find a way out  
If I find a way out of this haunted shack  
This little mouse ain't coming back

The house was dark, pitch black in every room  
Then I saw a ray of light shining from the moon  
So I followed the moon beam across floor  
That's when I saw, the front door

I ran for the door as fast as I could  
My feet pitter pattered on the creaky wood  
The ghosts moaned, but I didn't look back  
I jumped right out through that front door crack

## A Not Very Scary Halloween

When I was safe in the woods alone  
I thought, this grassy field makes a much better home  
I gave one last look at that haunted shack  
Then I ran away and I'm never going back

Take some advice from this little mouse  
You don't want to sleep in a haunted house  
I found my way out of that haunted shack  
And this little mouse ain't going back!

Take some advice from this little mouse  
You don't want to sleep in a haunted house  
I found my way out of that haunted shack  
And this little mouse ain't going back!

This little mouse ain't going back!

### **JACK-O'-LANTERN**

There's a strange sight on Halloween night  
A monstrous face, oh what a fright!  
Made from a pumpkin, carved with a knife  
A flickering candle, eerie light

Jack-o'-lantern, Halloween  
He only shows his face on All Hallows Eve  
Wicked grin, jagged teeth  
A lid on his head to blow off steam

Jack-o'-lantern, Jack-o'-lantern  
Jack-o'-lantern, Jack-o'-lantern

Jack-o'-lantern sits on your porch  
He's part decoration and part torch  
Jack looks scary in the dark of night  
He's got fire in his eyes

Jack-o'-lantern, Trick or treat  
He lights the way down the street  
On Halloween, Jack is king!  
His sister Jackie O' Lantern is pumpkin queen

Jack-o'-lantern, Jack-o'-lantern  
Jack-o'-lantern, Jack-o'-lantern

There's a strange sight on Halloween night  
A monstrous face, oh what a fright!  
Made from a pumpkin, carved with a knife
